Clarification

The purpose of this form

You can use this form to submit an application on behalf of a foreign national for the issuing of a Regular Provisional Residence Permit (MVV). Anyone who wants to stay in the public bodies for longer than three months usually has to have an MVV or a valid residence document (Article 2c of the Admittance and Deportation Act BES). If you wish to arrange a stay for a foreign national, you can ask the IND Caribbean Netherlands Unit to issue an MVV to this foreign national. You are then this person's sponsor. The IND Caribbean Netherlands Unit will require both details from the foreign national and from you. Costs will be charged for this application. You must complete a separate form for each applicant.

What happens to your application?

Once you have submitted your application in person at one of the offices of the IND Caribbean Netherlands Unit (see opposite for the addresses) and your application is complete, a start will be made to processing your application. If your application is incomplete, it will not be possible to assess it. You will receive a written notification when a decision has been taken on your application.
